THE DETAILS MAKE US BETTER

3/4" eco-friendly engineered furniture board door and drawer.

Full overlay doors and drawers have a durable, hard wearing TFL (thermally fused laminate) surface finish.

Durable edge banding offers with superior resistance to heat and moisture.

6-way adjustable soft-close hinges allow door to close silently and smoothly.

Non-toxic surface is safe, durable, and easy to clean.

Matching toe-kick and side panels sold separately.

Interior metal support brackets reinforce corners and create a stable and long-lasting foundation.

Slim 1/2" double-walled metal drawer with a 5/8" plywood bottom and rear panel supports.

Full extension concealed under-mount soft-close glides support weights up to 75 lbs.

16" adjustable, 3/4" thick plywood shelf with six finished sides and four metal shelf clips to withstand heavy items.

Sturdy 3/4" white plywood box construction with a white TFL interior and exterior finish for clear visibility of cabinet contents.

Full access frameless cabinets allow for 18% more storage than framed cabinets.

BOLD AND DRAMATIC WITH UNDENIABLE APPEAL

The Urban™ Collection is masterfully crafted with the utmost attention to detail. Whether it's subtle textures or bold arousing colors, each adds an intriguing depth and visual interest to a room.

 **DURABLE CONSTRUCTION**
The 3/4" furniture-grade plywood box construction is 50% thicker than industry standards and features a super durable TFL (thermally fused laminate) finish.

 **INNOVATIVE TECHNOLOGY**
Resin based TFL is permanently heat bonded to the substrate; it will not peel or fade and has superior impact resistance.

 **DOORS MADE IN THE USA**
Discover the excellence of American-made cabinetry. Urban flat panel doors and drawers are manufactured in Tampa, Florida with materials sourced from American companies.

 **10 YEAR WARRANTY**
Assures the cabinetry you are buying is of good quality and without manufacturing defects, for years of worry-free enjoyment.

 **EASY TO CLEAN**
Easy-to-clean surfaces means you spend more time enjoying your cabinetry and less time cleaning them.

 **CARB2 CERTIFICATION**
Carb2 compliant means the cabinetry has met and exceeded the strict standards for formaldehyde emissions.
